SECRETARY'S REPORT

The first meeting of the new year was held on Tuesday, January 4th at the Society's regular location. Because ARRL was unable to supply us with slides a last minute program change was made.

After the reading of the Treasurer's and Secretary's reports President Al Graf stated that he had talked with Mr. Bennett, Principal of the Hardy school about the educational exchange program via radio to South America. This was followed by a discussion of members projects with Bob Dale and Lud Fasolino telling the group about their 20 and 15 meter beam activities.

Treasurer Roy Snow then demonstrated his Collins 75-S1 receiver. All were in agreement that this receiver is a truly fine piece of equipment. The formal meeting was then adjourned and refreshments were served.

Respectfully submitted,

Walt Lenk
Secretary
